I am certain that many of you have met and come to know Peter quite well.

For several months now, Peter has been a wonderful addition to our parish communities of St Peter's and Our Lady of Lourdes, and I am very grateful for his support and help in the pastoral care of our parishioners.

I know that many of you would be delighted to come along and support Peter and wish him well on the very special occasion of his Ordination to the Priesthood.

If you would like to come to all or some of the above events, please take a copy of this flyer and complete the details. You may email it back to the parish office, place it in the collection plate at Sunday Mass, or drop it in at the parish office during office hours.
